INTRODUCTION and our rich HISTORY

INSTAFOLD

PARTITIONS & FALSE CEILING CONTRACTING LLC. is a supplier and installer of premium and high quality movable partition walls and demountable or fixed (glass or solid) partitions in the Middle East.

A division of CIMCO Trading Co. LLC. and rich history of 25 years in the Middle East, Instafold PFCC came into existing in 2017 in the emirate of Dubai, following the success of its Sharjah based counterpart 'Al Masar Al Sarie P&T Cont. LLC.' more commonly known as MASCO. Together the team has successfully completed multiple projects in the region and is currently working on some of the most prestigious projects in the United Arab Emirates.

We are the certified Supplier and Installer of **PARTHOS Movable Partitions** in the U.A.E. with options of glass, solid, acoustic, and fire rated available.

GROUP OF COMPANIES

- CIMCO Trading Co. LLC.
- Al Masar Al Sarie P & T Cont. LLC.
- Instafold Partitions & False Ceilings Cont. LLC.

- Supply & Installation of Steel Substructure for Folding Partitions.
- Supply, Installation & Service of Glass Partitions.
- Space Management.
- Fixed Partitions.
- Gypsum Bulkhead.

PRODUCTS

Parthos B.V. Netherlands is global leading manufacturer of movable wall systems, interior contracting and metal constructions.

The creation of space and freedom of design are the two pillars upon which our product range is based. In other words, flexibility in the use of space, thanks to Parthos products forming an integral part of the interior design.

The following solutions are available under the Parthos umbrella:

PALACE 80

Solid partition with a *sleek* & minimalistic thickness of 80mm

PALACE 90

Solid partition with bigger acoustic range & sleek thickness of 90mm

PALACE 110

Solid partition with high degree of sound insulation of up to Rw 58dB (manual & semi-automatic)

TRANSPALACE 80

Single glazed partition with minimalistic thickness of ± 40 dB

TRANSPALACE 100

Premium double glazed fully flushed partition with high acoustic rating (manual & semi-automatic)

PRESIDENT

Non-acoustic single glazed movable partition walls (framed & frameless)
